

LESS FAT. MORE SCIENCE.

Cutting Edge Technology Without the Scalpel.

Finally, a scientifically based, non-invasive answer to eliminating stubborn fat deposits when diet and exercise are not enough. Developed by a leading Italian medical device maker, you can see changes in just a few treatments. And there is no pain or recovery time.

Results that Speak for Themselves — In as Little as One Session.

CONTOUR AND SMOOTH THE NECK AND CHIN

FLATTEN THE STOMACH

REDUCE CELLULITE

No, it's Not a Miracle. It's Thermal Shock.

By using alternating heat and cold in varying times and frequency, the Pagani Cryo T-Shock can be used to reduce fat deposits and the appearance of cellulite and tighten loose or creapy skin. Treatment plans vary in duration dependent upon the desired results and the area being treated.

From Fat Reduction to Collagen Production.

Continued use of the T-Shock for facials stimulates and restore deep layers of collagen and reduces pore size producing smoother, tighter skin.

The Pagani Cryo T-Shock. The tummy tucking, face-lifting, cellulite busting, body slimming, Italian masterpiece.
